How to integrate FutureAdPro account with CoinDeal exchange?

Step 1:

First, set up an account at CoinDeal exchange (if you are already registered, go to the next step). The link to set up a new account is [HERE](#). Please remember that you also need to configure Google Authenticator (GA) tool to finish the registration process. You can watch how to set up an account in our video guide: [How to make and verify a profile on Coindeal?](#)

Step 2:

When registering, please make sure that your personal data (first and last name) is identical to the data provided in your CoinDeal account.

Step 3:

Click PAIR ACCOUNTS in the My Profile section, and then provide an e-mail that you have used to set up your CoinDeal account. Introduce your CoinDeal token. You can find it [HERE](#). Click "Verify Account". If your data is correct, your account will be synchronised automatically.

Note: For a successful verification process, you need to select a country supported by CoinDeal.

How to configure OTP?

OPTION 1

OTP configuration for smartphone

Step 1:

Download the app on your smartphone.
For Android click [HERE](#)
For iOS click [HERE](#)

Step 2:

Google Authenticator scans your QR code (Google Authenticator Setting tab).

Step 3:

After you scan the QR code, Google Authenticator will show you a unique 6-digit code.

Step 4:

Once you enter the GA code to the app, your GA account will be integrated with your FutureAdPro account.

How to configure OTP?

OPTION 2

OTP configuration for a PC

Step 1:

First, you need to install a plug-in in your Chrome browser by clicking [HERE](#).

Step 2:

Next to the QR code in the FutureAdPro “Settings” section on the Google Authenticator Setting tab, you will find a secret code. Enter this code to Authenticator (edit => plus sign => enter manually). You can also provide a name for this account.

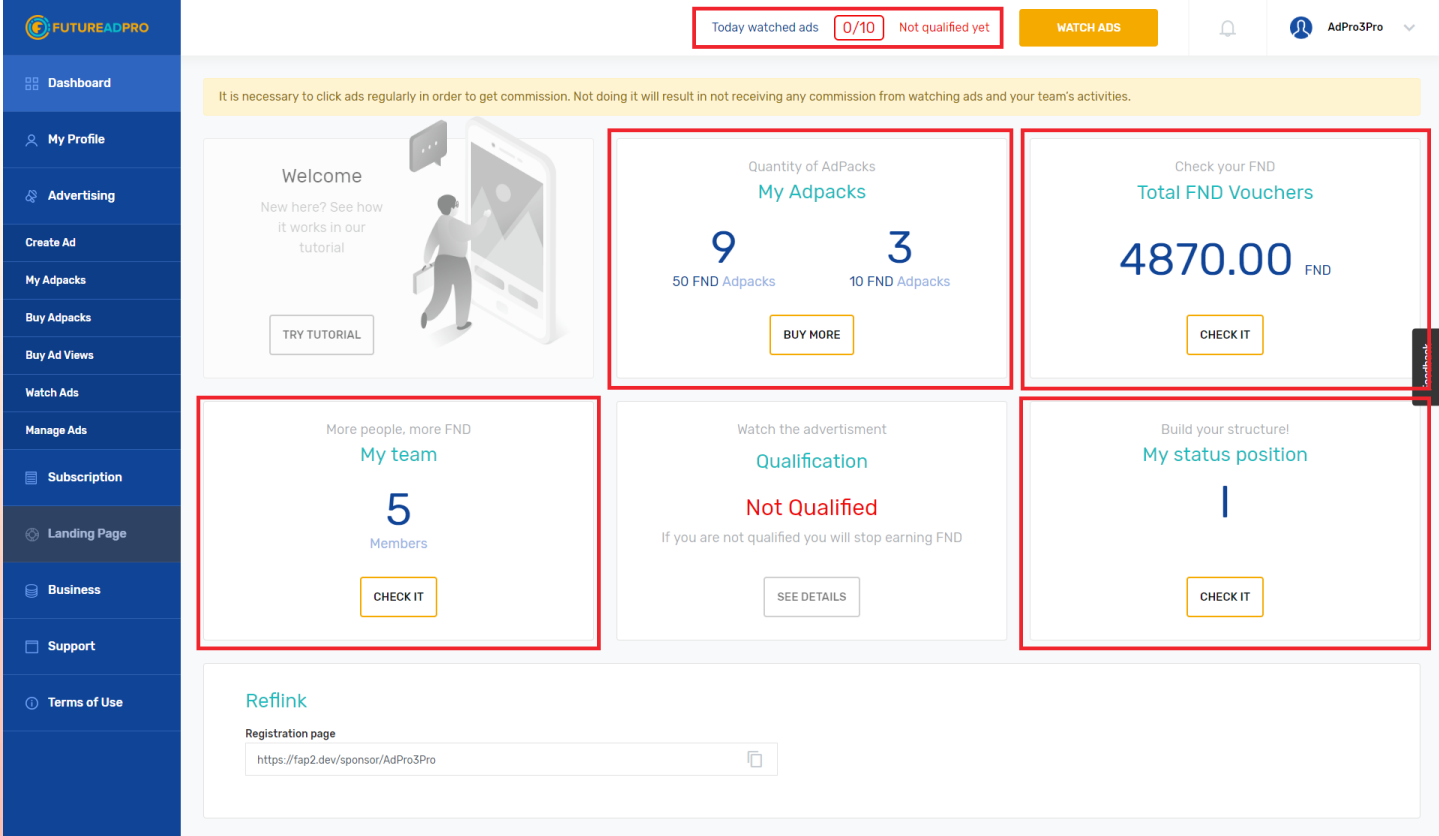

Step 3:

Enter the GA code to the app. Now your GA account is integrated with your FutureAdPro account.

Here you can see some key data:

- account balance,
- number of AdPacks, status position,
- your team, qualifications
- number of ads watched today.

Today watched ads **0/10** Not qualified yet **WATCH ADS**

It is necessary to click ads regularly in order to get commission. Not doing it will result in not receiving any commission from watching ads and your team's activities.

How to buy AdPacks?

You have the following three options:

- 1) to buy using your Online Account,
- 2) to pay with FuturoCoin (FTO) cryptocurrency,
- 3) to use a Code.

Select number of AdPacks that you want to buy to make a payment. Once you select the number, it is converted into a specific amount, depending on a payment method selected. Make sure that the total is not higher than what you have on your account.

The screenshot shows the 'Buy Adpacks' page on the FutureAdPro website. The interface includes a sidebar menu with options like Dashboard, My Profile, Advertising, Create Ad, My Adpacks, Buy Adpacks, Buy Ad Views, Watch Ads, Manage Ads, Subscription, Landing Page, Business, Support, and Terms of Use. The main content area displays the 'Buy Adpacks' title and two tabs: '50 FND Adpack' (selected) and '10 FND Adpack'. Under 'Pay with:', there are three options: 'Total FND Vouchers' (with a table showing 4870.00 FND total, 0.00 FND available, and 4870.00 FND for redemption), 'FuturoCoin' (with a FuturoCoin icon), and 'Use Code' (with 'FutureAdPro' as the code). Below these options, there is a 'Quantity of Adpacks' input field set to 1, an 'Amount to Pay' field set to 50 FND, and a 'BUY ADPACKS' button. The top right of the page shows 'Today watched ads 0/10 Not qualified yet' and a 'WATCH ADS' button.

How to buy Views?

You have the following three options:

- 1) to buy using your Online Account,
- 2) to pay with FuturoCoin (FTO) cryptocurrency,
- 3) to use a Code.

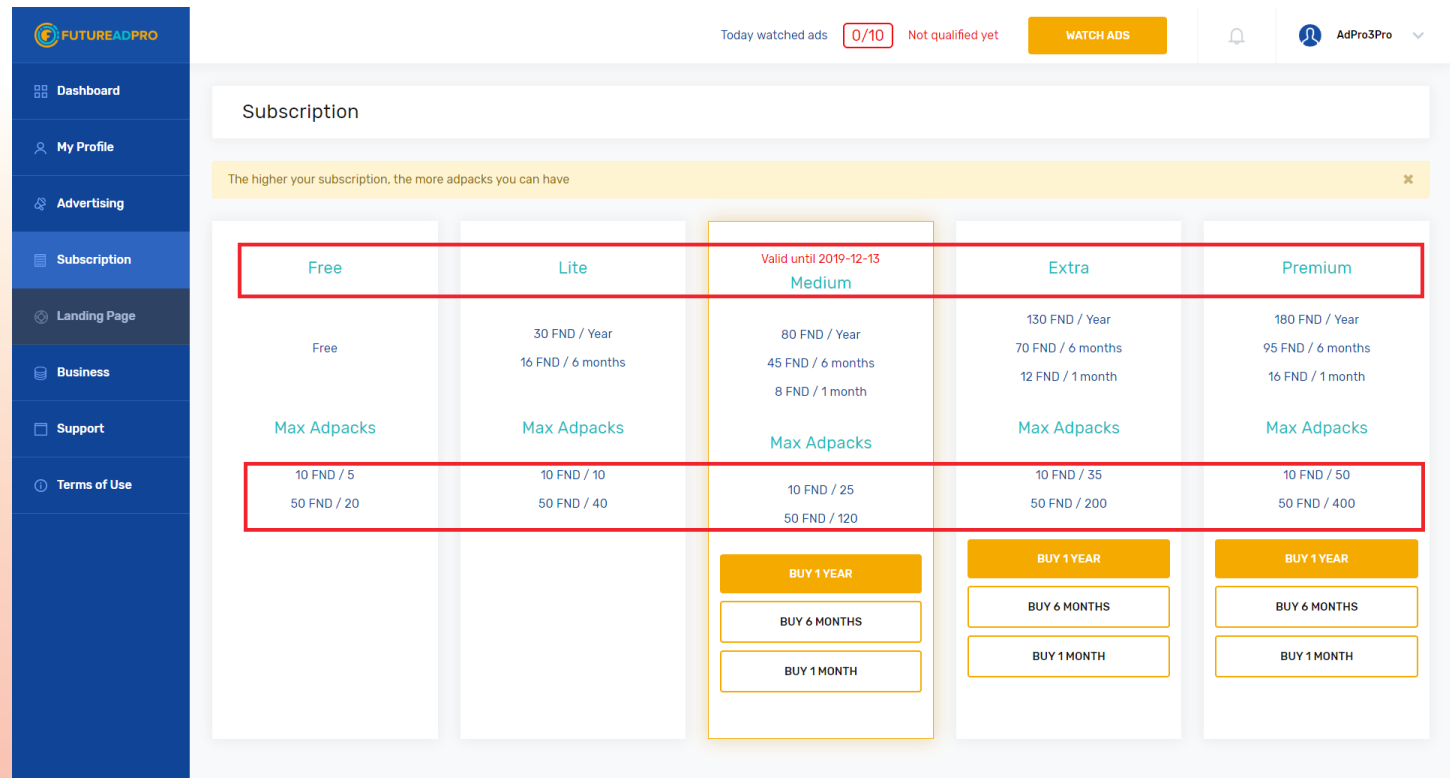

Select number of Views you are willing to buy. Once you select the number, it is converted into a specific amount, depending on a payment method selected. Make sure that the total is not higher than what you have on your account.

The screenshot shows the 'Buy Ad Views' page on the FutureAdPro website. The interface includes a sidebar menu with options like Dashboard, My Profile, Advertising, Create Ad, My Adpacks, Buy Adpacks, Buy Ad Views, Watch Ads, Manage Ads, Subscription, Landing Page, Business, Support, and Terms of Use. The main content area displays the 'Buy Ad Views' form. At the top right, it shows 'Today watched ads 0/10 Not qualified yet' and a 'WATCH ADS' button. The 'Pay with:' section offers three options: 'Total FND Vouchers', 'FuturoCoin', and 'Use Code'. The 'Total FND Vouchers' section shows a total of 4870.00 FND, with 0.00 FND available for purchase and 4870.00 FND required for redemption. A timer indicates 'Available for: 4 days : 09 h : 29 min : 45 sec'. The 'FuturoCoin' and 'Use Code' sections are currently inactive. Below the payment options, there is a 'Quantity' input field set to 1, an 'Amount to buy' field set to 400, and an 'Amount to Pay' field set to 3 FND. A 'BUY VIEWS' button is located at the bottom right of the form. A 'Feedback' button is visible on the right side of the page.

How to buy Subscription?

Select the level of subscription you are interested in. Please remember that subscription is time-limited. Your AdPacks will be valid for the period of time you selected. You will find AdPacks limit in the Max AdPacks section.

How to buy Codes?

Step 1:

You can set a Code for any value, provided its within your account balance.

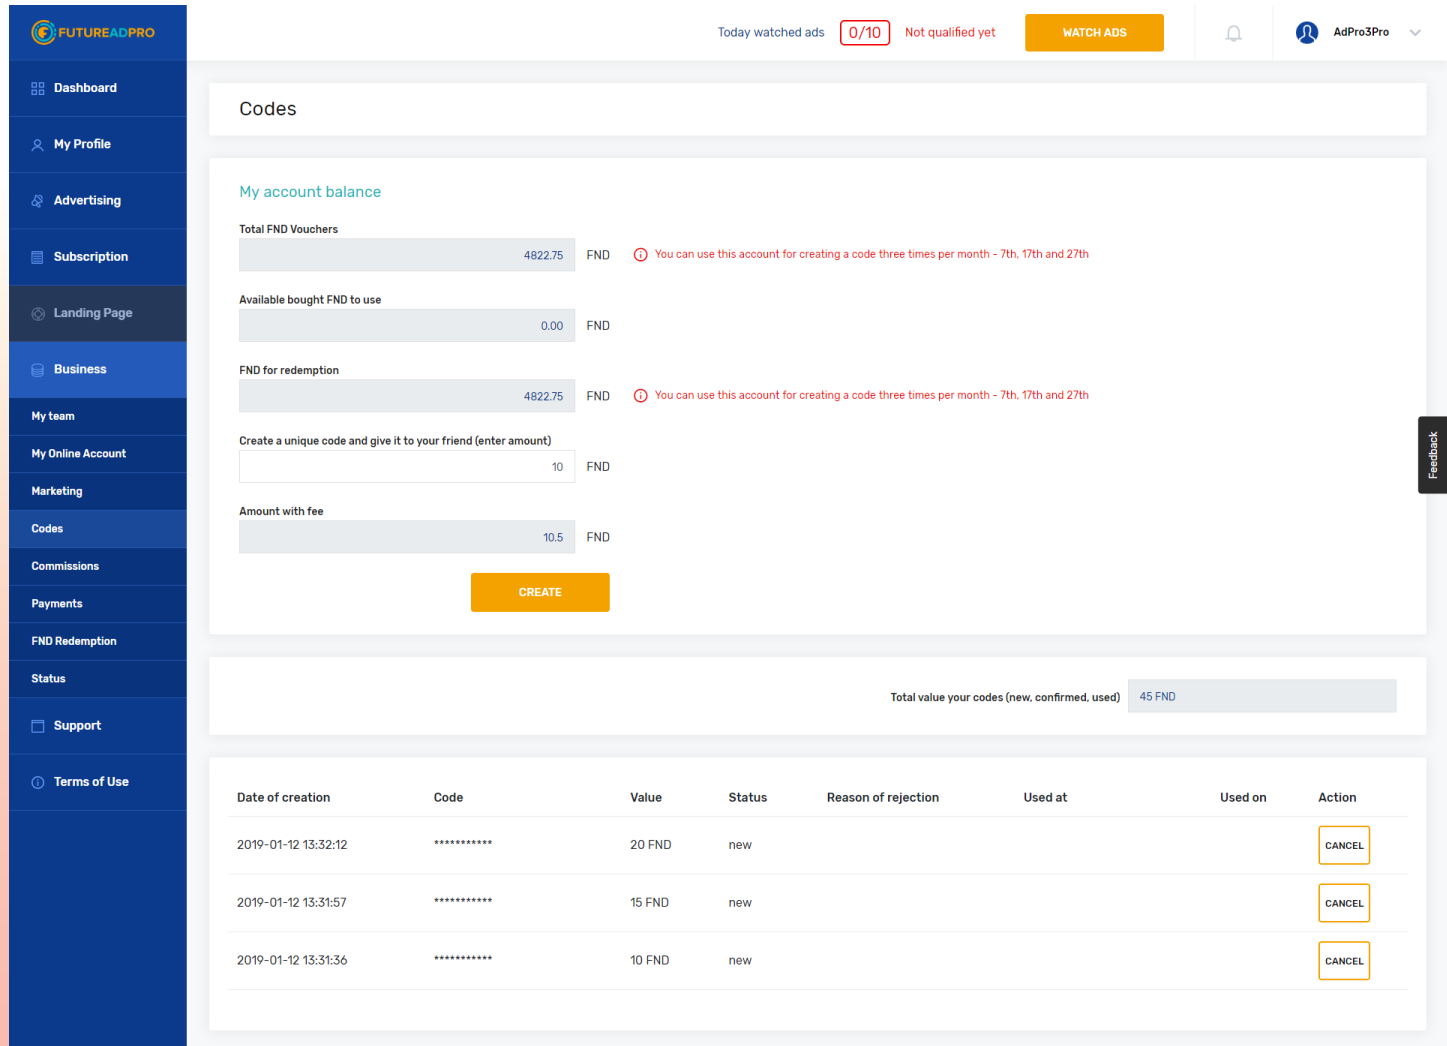

The codes can be purchased at any time from the account of your funds. You can also buy the codes from the account which commisions were calculated - then you can make a purchase 3 times per month: 7th, 17th or 27th days of calendar month.

Step 2:

Once you create the Code, the system will generate a unique Code. You can give it to your friend any way you want.

Step 3:

You may view the list of the generated Codes and other related information.

The screenshot shows the 'Codes' page in the FUTUREADPRO dashboard. The page includes a sidebar with navigation options like Dashboard, My Profile, Advertising, Subscription, Landing Page, Business, My team, My Online Account, Marketing, Codes, Commissions, Payments, FND Redemption, Status, Support, and Terms of Use. The main content area displays the user's account balance and the process of creating a code.

The screenshot displays the 'My Online Account' interface. On the left is a dark blue sidebar menu with the following items: Dashboard, My Profile, Advertising, Subscription, Landing Page, Business (highlighted), My team, My Online Account, Marketing, Codes, Commissions, Payments, FND Redemption, Status, and Support. The main content area shows the 'FutureAdPro online account' with two progress bars: 'Total FND Vouchers' at 0.00 FND and 'Available bought FND to use' at 0.00 FND. Below these are two cards: 'FuturoCoin' with a coin icon and 'Use Code' with a code icon. An 'Amount' input field is set to 1 FND. At the bottom, there is a note: 'If you don't have FuturoCoins yet - You can buy them via Coindeal exchange market.' and a button labeled 'BUY FTO ON COINDEAL'.

How to create your Ad?

Step 1:

You can create your Ad by clicking “Advertising => Create Ad”. Set the details of your Ad: title, text and a direct link to the website you want to promote.

The screenshot shows the 'Create Ad' page in the FutureAdPro dashboard. The left sidebar contains navigation options: Dashboard, My Profile, Advertising, Create Ad, My Adpacks, Buy Adpacks, Buy Ad Views, Watch Ads, Manage Ads, Subscription, Landing Page, Business, Support, and Terms of Use. The main content area is titled 'Create Ad' and has two tabs: 'Own Ad' (selected) and 'Use Ad Template'. Under 'Set the details of the ad', there are three input fields: 'Advertisement title (minimum 3, maximum 40 signs)', 'Advertisement text (minimum 10, maximum 120 signs)', and 'URL - link to website you want to promote'. To the right is an 'Ad Preview' section with an 'OPEN' button. Below these is the 'Recipient settings' section, which is currently 'Coming soon' and includes checkboxes for Gender (All, Man, Woman, Undefined), Age (All, < 19, 19 - 25, 26 - 34, 35 - 44, 45 - 65, 65 <), Relationship status (All, Single, In Relationship, Married), and Location (with a note: 'You must enter a location of your audience'). The top right of the dashboard shows 'Today watched ads 3/10 Not qualified yet' and a 'WATCH ADS' button.

How to create your Ad?

Step 2:

Assign all views within your AdPack so your advertisement can start make commission for you. Save the changes. Your ad will be published.

You must enter a location of your audience

How to edit your Ad?

Step 1:

In the “Manage Ads” section find the ad created with either “Online” or “Finished” status. Click EDIT AD.

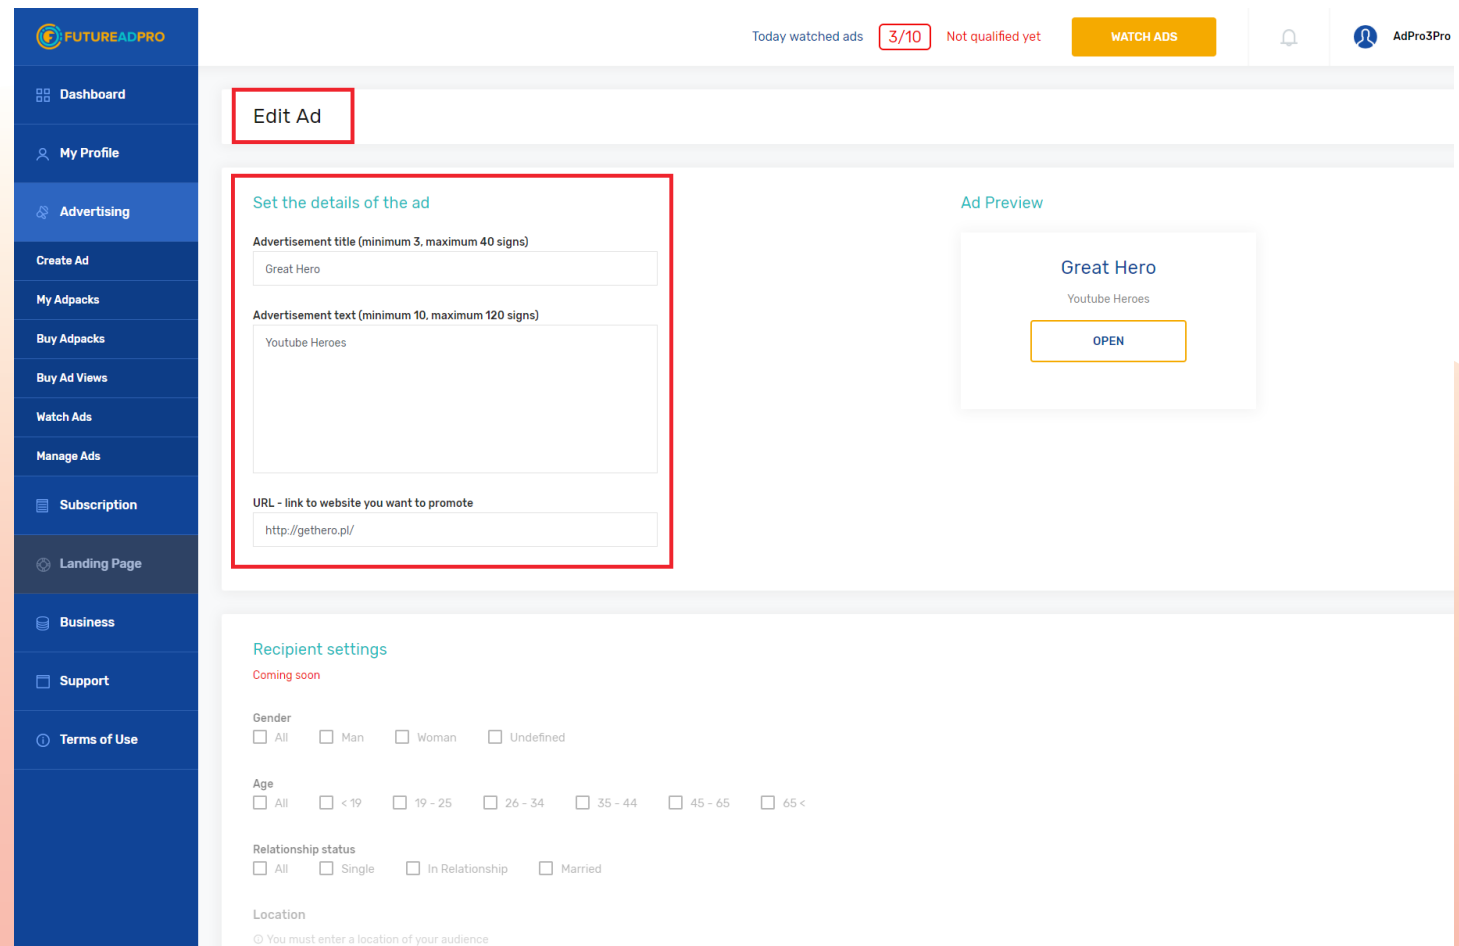

The screenshot displays the FutureAdPro dashboard interface. On the left is a dark blue sidebar with navigation options: Dashboard, My Profile, Advertising, Create Ad, My Adpacks, Buy Adpacks, Buy Ad Views, Watch Ads, Manage Ads, Subscription, Landing Page, Business, Support, and Terms of Use. The 'Manage Ads' option is highlighted. The main content area shows the 'Manage Ads' section with a 'Manage Ads' button highlighted in red. Below this is the 'Published Ads List' section. It features a 'Published Ads List' header and an illustration of a person holding a large orange bowl. The 'Available Views' section shows a value of 14715 and two buttons: 'BUY VIEWS' and 'BUY ADPACKS'. The 'Super Ad 33' ad is shown with a status of 'Finished' and a red error message: 'Rejected due to uncensored content'. It has 'Assigned Views' of 1001 and 'Used Views' of 1001. Below the ad details are buttons for 'EDIT AD' and 'DELETE'. The 'Great Hero' ad is also shown with a status of 'Finished'. It has 'Assigned Views' of 5 and 'Used Views' of 5. Below the ad details are buttons for 'EDIT AD' and 'DELETE'. The 'EDIT AD' button for the 'Great Hero' ad is highlighted with a red box.

How to edit your Ad?

Step 2:

You can now edit ad title, text and the link.

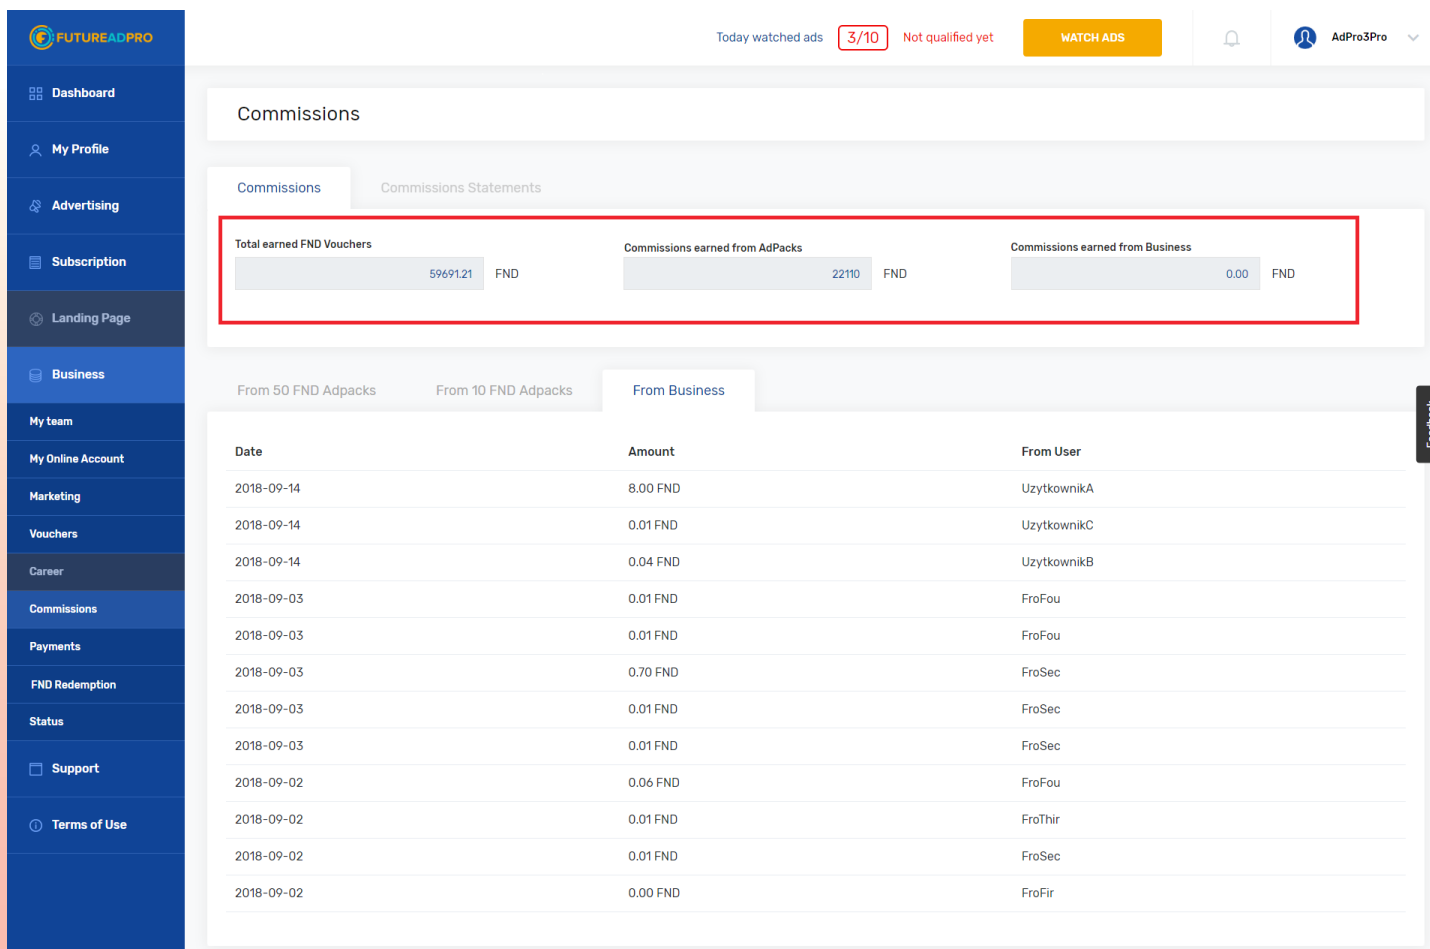

The screenshot displays the 'Edit Ad' interface in the FutureAdPro dashboard. The top navigation bar shows 'Today watched ads' at 3/10, 'Not qualified yet', and a 'WATCH ADS' button. The sidebar on the left contains navigation options: Dashboard, My Profile, Advertising, Create Ad, My Adpacks, Buy Adpacks, Buy Ad Views, Watch Ads, Manage Ads, Subscription, Landing Page, Business, Support, and Terms of Use. The main content area is titled 'Edit Ad' and is divided into two sections: 'Set the details of the ad' and 'Ad Preview'. The 'Set the details of the ad' section is highlighted with a red box and contains three input fields: 'Advertisement title (minimum 3, maximum 40 signs)' with the value 'Great Hero', 'Advertisement text (minimum 10, maximum 120 signs)' with the value 'Youtube Heroes', and 'URL - link to website you want to promote' with the value 'http://gethero.pl/'. The 'Ad Preview' section shows a preview of the ad with the title 'Great Hero', the text 'Youtube Heroes', and an 'OPEN' button. Below these sections is the 'Recipient settings' section, which is currently marked as 'Coming soon' and includes options for Gender, Age, Relationship status, and Location.

Commissions

Please remember about three basic rules of charging Commissions!

- 1) Your ad must be published,
- 2) You must assign the views from the AdPacks to the advertisements created by you,
- 3) You must watch a given number of advertisements regularly (depending on the number of your AdPacks - from 10 to 20 per day).

If you fulfill these three rules, your commission will be applying. **Please remember that the above-mentioned rules apply to your team as well.**

If a member of your team has working AdPacks, you get the Commission. It depends on the number of people in your team with working AdPacks, as well as your own Status Level.

Example:

Your team has 3 members. You've qualified to Status Level 5. You will then receive a 1% commission from each Direct Customer.

The screenshot shows the 'Status' page in the FutureAdPro dashboard. At the top, it displays 'Today watched ads 1/10' and 'Qualified for 2019-01-20 08:40:24'. A 'WATCH ADS' button is visible. Below this, a yellow banner states: 'The higher status you have, the more commission you will have'. The main content is a table with columns for Status, I, II, III, IV, and V. The table rows represent Status Levels from 1 to 10. A red box highlights the commission rates for all levels, which are all 1%. A yellow box highlights the turnover requirements for Status I.

How to make a redemption?

You can transfer FN Dollars to CoinDeal exchange and withdraw them in 4 different cryptocurrencies: Ethereum (ETH), BitCoin (BTC), FuturoCoin (FTO), LiteCoin (LTC). Minimum withdrawal is 5 FND

Step 1:

Select a cryptocurrency you want to withdraw your resources in, enter the FND amount and provide your CoinDeal wallet address in the section “FND Redemption”. You can check your wallet address on CoinDeal [HERE](#) (you need to be logged in).

The screenshot shows the 'FND Redemption' page in the FutureAdPro dashboard. The page includes a sidebar with navigation options like Dashboard, My Profile, Advertising, Subscription, Landing Page, Business, My team, My Online Account, Marketing, Codes, Commissions, Payments, FND Redemption, Status, Support, and Terms of Use. The main content area displays the 'FND Redemption' section with tabs for 'FND Redemption' and 'History of redemption'. It shows account balances: Total earned FND Vouchers (5722.98 FND), Your FNDs available for redemption (5638.98 FND), and Blocked funds (84.00 FND). Below this, there are four options to redeem FND Dollars to CoinDeal: FuturoCoin, Ethereum, Bitcoin, and Litecoin, each with a radio button. The interface also includes input fields for 'Enter redeem amount (Minimum 5FND, Fee 1FND)' and 'Address of redemption'. A 'REDEEM' button is located at the bottom right, and a disclaimer states: 'I declare that I want to redeem the selected FND code and receive the equivalent in the method chosen by me.'

How to make a redemption?

Step 2:

Click “Redeem”, OTP security message will appear. Choose “E-mail” by default.

Step 4:

You will receive a second e-mail with a confirm/decline link.

Step 3:

You will receive a first e-mail with a code that you then need to enter into the confirmation field and accept.

Step 5:

If you confirm, payout order will be forwarded to FutureAdPro support.

Step 6:

Once your payout order is confirmed by FutureAdPro support, your resources will appear on CoinDeal exchange. You can operate them as you wish. You can find more information on cryptocurrency trading in our video guide: [How to buy, sell, and exchange FTO through exchange market?](#)

You can check the status of your redemption order and historical data on your redemptions in the section “History of redemption”.
